

DeKalb County Schools Early Dismissal Form

Occasionally problems force school to dismiss early. Radio and television stations, along with School Messenger, typically report unexpected dismissals. In the event this should happen, we would like to eliminate unnecessary confusion by having a plan on file for your child. Please complete the following form for us to follow and discuss this plan with your child. We are required to complete this form each year. In the event that this information should change, please fill out a new form and turn it in to the school office.
