

DeKalb County Schools

This form is to be completed on each student enrolling in the DeKalb County School System

2017-2018 SCHOOL YEAR

Dear Parents/Guardians,

Each year the DeKalb County School System offers Native American Education classes to qualifying students in grades K-12. We would like to extend an invitation to your child to participate in these classes if they qualify. These classes are only for students of Native American descent. This is a voluntary program where students learn Native American history and crafts. This year we will be learning about the Cherokee American Indians of the North East. Please complete the survey on the other side of this letter and return it to your teacher or to the guidance counselor. If you or your parents were served in the Indian Education Program while in school, your child may enroll under a parent or grandparent's number. If you do not know your number we can look it up in our records. **If you have other children in school, please list their names and grades on the back of this letter.**

THIS SURVEY DOES NOT SIGN YOUR CHILD UP FOR INDIAN CLASS.

If your child qualifies for participation in our program, you will receive a 506 form to complete, sign and return. A self-addressed stamped envelope will be provided for your convenience in returning the form to us. We appreciate your cooperation in this very important matter.

If you have any questions, please do not hesitate to contact me at 256-638-6921 or contact our program staff at aadennis@dekalbk12.org.

Thank you,

Tony Bell
